

Charlotte Roller Derby DEI Statement

Charlotte Roller Derby is passionately committed to fostering a diverse, inclusive, and equitable community. Our mission centers on creating a safe, empowering space where all members, officials, volunteers, fans, and the community at large feel welcomed and valued. We embrace diversity in all its forms, celebrating unique backgrounds, identities, and perspectives, while actively working to dismantle barriers and challenge systemic biases.

In line with our values, we prioritize diverse leadership, equitable opportunities, and continuous education to promote awareness and empathy. We will not tolerate any behavior, language, or actions that perpetuate prejudice, racism, sexism, homophobia, transphobia, ableism, or any other form of discrimination.

Our league advocates for positive change, seeks partnerships with like-minded organizations and actively listens to feedback to improve and ensure inclusivity remains at the heart of our mission.

Here at Charlotte Roller Derby, we strive to empower all individuals to be their truest selves. We believe that roller derby can be a force for unity, understanding, and respect, celebrating differences to create a thriving community built on shared values and mutual respect.

Together, we stand against prejudice and bigotry, shaping a welcoming space where everyone can participate, thrive, and find their sense of belonging.
